BAYCO

Mully Cup Installation Manual

Extremely durable and **easy to install**
Fits both 1/2" and Tournament Poles (3/4")

Installation as easy as 1-2-3!

Step 1: (for 1/2" poles only): Detach inserts from plastic holder. Install inserts for fitting on the inside of your Mully Cup (x2).

Step 2: Place the two halves around your pole and install the Philips Screws (provided) (x4).

Step 3: Install the zip tie (provided) by *lightly* tightening it around the middle.

You are ready to go!
